### NOTES TO EDITORS:

Aurelian Oil & Gas PLC, was founded in December 2002, by Managing Director, Michael Seymour and is focused on the re-emerging Central and Eastern European oil and gas markets, the oldest producing oil province in the world.

The Company has developed a diversified portfolio throughout the region. Currently Aurelian has a wide portfolio of concessions in Poland (14), Slovakia (3), Romania (4) and Bulgaria (2), and a range of production, appraisal and exploration projects.

Aurelian's near-term focus is to establish substantial production from existing assets while continuing to assess and identify future dynamic exploration programmes across the region.
